Business Meeting

Lew Kirchner called the meeting to order at 8:15 PM

Old business: Seniority pins came in with a miss spelling. The group discussed it and decided to keep them as is.

Beth Denoyer will count all large flags that will need to have number placed on them. She will then contact Bryan McColley so he can make the numbers needed.

Lew Kirchner addressed a question which was asked by members a few weeks back. They wanted to know why the chapter doesn't pay for officers to attend HOG training (H.O.T) He explained that he would like to see the money spent on the entire membership and not just a few people. Kris Fischer felt the same. She likes to see the group support events like the progressive dinner and Accident Scene Management. All voted and agreed that the chapter will continue to let officers pay their own way to H.O.T.

New Business: La Nay Barley inquired how to get reimbursement for the patches. She was told to get a hold of Cris Lake.

Dean Neeley is still waiting for a response to obtain information on the Blues Festival in Lansing. He will give us the information as soon as he receives it.

Dean Neeley made the suggestion to have a refresher course on Accident Scene management for the chapter later in the year. All felt this was a very good idea.

Lorrie Schneider has had problems getting the news letter out to all members. She was told about a "drop box" on the internet. Steve DeBusschere will help Lorrie reduce the PDF to make it smaller and also help with a link on the web page.

Steve DeBusschere also made a suggestion that we bring back the "spot light" page in the news letter. All agreed and Steve offered to write the first one.

Meeting adjourned at 8:35 PM

Respectfully submitted
