Business Meeting

Lew Kirchner called the meeting to order at 7:37 PM

Old business: Kris Fischer: We want to make the move to Union Street a positive move for Father Fred.

Dave Priest: He would like to reach out and let members who have not been attending know we would like them back. Eric will supply a list to Dave of past and current members.

Eric Denoyer: We want to address the road captain's attendance and participation this year. An email will go out in regards to the first meeting. This meeting is open to anyone.

Lew Kirchner: Remember that ALL chapter meeting are open to all members.

Steve DeBusschere: In closed chapter events the chapter by-laws state that members may bring a guest one time. After that they need to become members. Lew will look into this further. Steve also brought up the New Member Rides the chapter used to have. All felt that they are a benefit and the chapter will have them again this year. However it was also brought up that ALL members can participate in this ride and should as it is a benefit to our newer members.

New Business: HOG Officer training is still open. Four of the seven slots have been taken. Contact Lew if you are interested in going this year.

This will be the chapters 20 year anniversary. New patches will be made to celebrate this event. It was discussed that all members will receive this new patch as a value of being a member at no cost. An effort will be made to have the patches made available prior to Father Fred. The vote was 2 nays the rest were in favor.

Meeting adjourned at 8:09 PM

Respectfully submitted
