

Northern Chapter H.O.G.

April 4, 2013

Business Meeting

Trent Tomlinson called the meeting to order at 8:15 PM

Old business: Lorri Schneider asked if the chapter is still going to do some skills practice sessions to get ready for the Michigan State rally. The answer was yes and the chapter will work on a location as well as time and place.

New Business: Steve DeBusschere reviewed the options and dates of Ride like a pro with the group. He also discussed other possible ideas for members to become a road captain other than the class because of its cost of \$150.00 . He is open for ideas, please let him know. Also be looking for an email to all members who are road captains as he wants to make sure he has correct contact information on everyone. When asked about how notification of rides being cancelled due to weather might be handled, Steve plans to text and email members, and they can still call the dealership to find out.

John Lefler made a motion (after explaining the program) that the Chapter supports a little league baseball team for \$375. Jan Hilewsky seconded it. A vote was taken, all approved. Steve DeBusschere will get the forms needed to Cris Lake.

Julie Kincannon suggested the chapter adopt a highway. She was asked to get the information and offer it to the members at the next meeting.

Meeting adjourned at 8:40 PM

Respectfully submitted
