

Northern Chapter H.O.G.

March 7, 2013

Business Meeting

Trent Tomlinson called the meeting to order at 8:00 PM

Old business: A member inquired what happened to the early bird registration drawing from our chapter Christmas party. Per John Lefler it was over looked in error. Eric Fischer will get that list to John and a name will be drawn and that member given their \$40. Fischer's have the traveling fruit cake from the Christmas party and the Lefler's get a free ticket to 2013's Christmas party as they had the fruit cake last year.

New Business: Eric Fisher reviewed the cost of this year's challenge patches and rockers. The chapter is getting a much better quality patch this year as well as a better price. Also there are a few members that did not attend 2012's Christmas party and still need to receive their chapter patches. These will be mailed out soon to ensure members receive them.

Corry and Amy Liddy have offered their home as the site of this year's chapter picnic. As usual it will be held sometime in August.

Steve DeBusschere reviewed the HOG rules for rides with and without road captains. To be a chapter ride you need to have a higher percent of chapter member's vs. guests. And the event needs to be open to ALL chapter members. You are not required to have a road captain. Our chapter works hard to have road captains for safety reasons however.

Beth Denoyer showed the drawing ideas for the new father Fred pins.

Kris Fischer inquired if anyone would like to do an overnight ride to Grand Rapids to see the Titanic Museum. Many thought that would make a nice event.

A comment was made on the large amount of members at tonight's meeting. The sign in sheet had 54.

Meeting adjourned at 8:20 PM

Respectfully submitted
