YOUR CONTRIBUTIONS COUNT!

First, I'd like to say "thanks" to those of you who have contributed to the Northern Chapter H.O.G. Newsletter, whether it's an article about a recent trip, a tidbit of information you think we might all be interested in, or your pictures. Each one of us loves to live vicariously through the lives of others! Some of you are riding in warm places as we speak, and I know you're seeing some wonderful sights while you're on the road. Please share your thoughts and pictures with the rest of us!

ALSO, just a reminder to our members that I am looking for pictures of some of our life long riders for the "GUESS WHO" section of the newsletter. We had a huge response to our last picture and I'd like to keep the game going!

I'm always open for your ideas and suggestions. Please do not hesitate to approach me, or send an e-mail, if you've got something you want to share with the rest of us!
